

COUNCIL CHAMBERS CITY COUNCIL
CITY HALL - CITY OF LODI
WEDNESDAY, MAY 5, 1948

The City Council of the City of Lodi met at 8:00 o'clock P.M. of Wednesday, May 5, 1948, Councilmen Bull, Haskell, Lytle, Tolliver and Rinn present, none absent. The minutes of the last meeting held April 28th were read, approved as read and so endorsed by the Mayor.

PUBLIC HEARINGS -

A.O. PAULY APPLICATION FOR COUNTY RECREATION MONEYS.	Mr Arvid O. Pauly, Director of Recreation, presented a suggested form for a letter of application to the Board of Supervisors of San Joaquin County requesting allocation of County moneys to be used for community recreational programs in the Lodi area. Mr Pauly was advised to secure definite statements of dollar amounts expended by the City in the past fiscal year and in the current year to this date so that the Supervisors might be able to judge the amount that the City of Lodi is spending for recreational services to those outside the city limits.
20% CONCESSION CHARGE NOT APPLYING TO OUTSTAND- ING STADIUM PERMITS. DAV & LMC	Ezra Ehrhardt, Treasurer of Lodi Motorcycle Club asked adjustment of the City's 20% requirement on the gross sales of concessionnaires in Lodi Stadium as applying to this club's meet to be held May 28th. A letter from Lodi Chapter Disabled American Veterans asking the same consideration for its rodeo to be held June 5 and 6 was also considered with Mr Ehrhardt's request. On motion of Councilman Tolliver, Bull second, the City Council determined that this charge should not apply to either of the above events, the policy having been established April 28th long after allocations of use had been made to these organizations but that it would apply in all future allocations for rental of the Stadium.
LODI ATHLETIC CLUB USE OF STADIUM IN SEPT & OCT	By letter, Lodi Athletic Club applied for use of the Stadium September 3 and 10 and October 3, 10 and 29, 1948. Application granted subject to priority rights, if any, of Lodi High School Student Body. The City Clerk was directed to notify this Club, Lodi Motorcycle Club and College of the Pacific that the City Council now required that 20% of the gross sales from concessions be paid the City.
POSTMASTER: OBJECTION TO MOVING OF CURB-SIDE LETTER BOX. RES. 1420 ADOPTED	Oscar Dittmanson, Acting Postmaster, advised the Council by letter that postal rules and regulations prevented the moving of the curb-side letter box now in front of the Federal Building to a location either on Walnut Street or on the alley east of this building but that the suggestion might be used later when new letter boxes are available. It was then moved by Councilman Haskell, Bull second, that Resolution No. 1420 "Resolution Prohibiting the Parking at Any Time of Vehicles on a Portion of South School Street in Front of the Federal Building" be adopted and on a vote being had, this resolution was passed by unanimous consent.
VARIANCE OF J. NATHAN GRANTED VARIANCE OF A.L. FOX APPROVAL WITHHELD	On recommendation of the City Planning Commission, a variance was granted John Nathan to allow the reconstruction of a shed building at 524 1/2 East Elm Street into a dwelling. The application of A. L. Fox, 514 Forrest Avenue, for a permit to erect an accessory garage on his lot now occupied by a "garage dwelling", recommended for granting by the Planning Commission was re-referred to the Commission for further study of its effect on similar applications that might be presented. The City Council approved the statement of policy of the Planning Commission accompanying the above application restricting the use of garages for dwellings in One and Two Family Residence District Zone.
WOOLDRIDGE PERMIT TO REMOVE JUNK FROM DUMPS	City Attorney Glenn West, by letter, recommended that M.G. Wooldridge & Company be allowed to remove junk from the Mokelumne River Dump Grounds. Permission granted providing Wooldridge leave the dump in a condition satisfactory to the Superintendent of Streets and post a bond of \$500.00 to insure compliance with this condition.
	Superintendent of Streets Bruner's application for \$990.00 to lay a storm drain in Pine Street, west of Crescent Avenue, was deferred pending investigation of a suggestion of Mr Clifford Gatzert that connection might be made to a 16" drain laid in Orange Avenue.
